About VIAVAR

VIAVAR is focused on community, diversity and network across all of VIAs educations. VIAVAR works with the vision, that there must be social related opportunities for all of VIAs students.

VIAVAR is to consist of 14 members (currently recruiting). One representative from each of VIAs 13 places and one employee from the department Student Life.

Objective

It is VIAVARs objective to:

Promote study social commitment by contributing with grants for the local campus unions' events and initiatives, and by involving the local unions in the design and execution of VIA wide events.

VIAVARs primary tasks are:

- Allocate the study-social funds to study-social activities in accordance with the applications submitted by the unions – this in accordance with VIAVARs articles of association and criterions.
- Make an overview of the union landscape in VIA and make it easy and attractive to share experiences and knowledge.
- (In time) Design and define VIA wide activities and initiatives, and put the facilitation and execution up for tender amongst the local unions. VIAVAR will also support the process and work towards ensuring progress.

Set of values

Community – VIAVAR is a community that works collectively for all of VIAs places.

Volunteering – Volunteering and volunteers is the core of the collaboration

Diversity – VIAVAR consists of students from all of VIAs places with no regard for educational focus, nationality, gender, age or geographical location. A diverse VIAVAR makes a better VIAVAR.

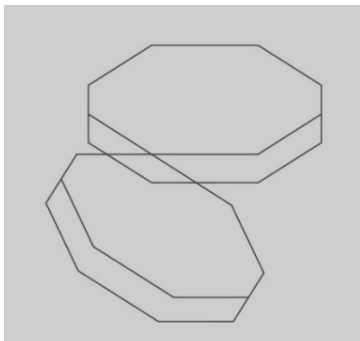

Transparency – VIAVAR ensures transparency. It must be clear to every student what VIAVAR can contribute with, to whom and how.

Curiosity and innovation – VIAVAR is curious about new opportunities and challenges, and seek to support the development of new study social happenings.

Dialogue and corporation – VIAVAR aims to collaborate with students from all the local campuses in regards to study social activities the will benefit fellow students.

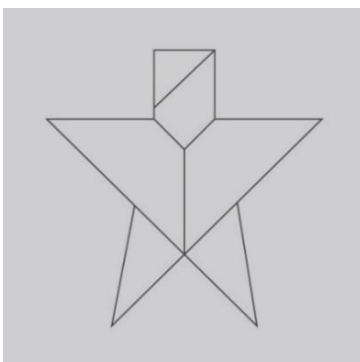

VIAVAR – for the communion.
