

INSPIRATION

Spring/Summer 2021

Tekstildesign, - håndværk og formidling.

A Fresh Focus on Grey 2021

INSPIRATIONAL FOCUS:

Textiles inspired by Structures, Surfaces, Life and Mood.

CHOOSE YOUR UNDERTONE:

Greys, like most colours, are incredibly versatile and depending on their undertones can vary greatly. From grey-blues to lavender hues, the tone used to create the colour will determine the outcome.
